ADDENDUM Information document Bond loan Voorburgse Rugby Club dated 23 October 2024v2

Datum: 15 december 2024

Referentie: [Ledenobligatie voor nieuw clubhuis - Voorburgse Rugby Club](#)

Dear members,

During December the board – as was approved by the General Assembly of our club on November the 5th 2024, issued the VRC Ledenobligatie. Aim is to gather 175K Euro for the realization of the new club house.

Participation was possible until December 13th 2024.

The board has decided to lengthen the participation term until January 12th 2025. The reasons being that we haven't written all the bonds yet, and that there's still a lot of interest to participate.

How does it work?

- Members who have subscribed before 23.59;59 December 13th 2024, are allocated the amount of bonds subscribed for.
- Members subscribing from December 14th 2024 can subscribe as long as there're bonds available. In the case you've subscribed and there're no bonds available anymore, I as you treasurer will communicate this to you via my reaction on the subscription. Until there're bonds available, you will get a confirmation of the subscription by me by mail.

Separately from this writing you'll receive the invoice for the allocated bonds. The due date for the final payment will be January 31st. If you like to pay earlier. Feel free to do so. After paying the invoice, we will send you the fysical bond.

On behalve of the board,

Martijn Minkenberg
Treasurer
